

At Jahnvi Deepak Goradia, we strive to maintain a transparent and fair policy regarding the termination of our Investment Advisory (IA) services. In the event of pre-mature termination of our services as per the executed agreement, advisory fees paid for a period up to one quarter are non-refundable, as they are charged for a fixed period and are deemed fully earned upon payment.

However, for clients who have paid advisory fees for a period exceeding one quarter, a refund may be provided for the unexpired period, subject to a maximum breakage fee not exceeding one quarter of the total advisory fee. Any eligible refund, after necessary deductions, will be processed within 7 business days from the confirmation of service termination. Clients must submit a written request for termination via email at connect@jcurvecapital.in, and upon verification, the refund will be credited to the original payment method used.

Please note that statutory deductions, if applicable, will be adjusted before processing the refund.

For further inquiries, clients may contact us at connect@jcurvecapital.in.
